Petition for Reconsideration

My name is Jeff Hollowell, I am a Lieutenant with the Inyo County Sheriff's Department. I have recently been assigned to Communications. I received a letter from Mr. John Nielsen of Nielsen's Equipment Maintenance yesterday regarding the above license. Mr. Nielsen explained the letter to me and what it was in regards too. I have seen this letter before and referred it to our Administrative Secretary to pay for the renewal. I did not realize what needed to be done.

I am in the process of changing to narrowband in June of this year and know very little about communications. My predecessor has retired and I have had to learn as I go. I realize this is no excuse, but I would appreciate consideration for this license. The project was completed in November of 2011 and is operational.

If we are not given consideration, please let me know what has to be done to get this system licensed. I will see that whatever needs to be done is done.

Thanks for your time and consideration. I can be reached at (760) 878-0235 during daytime hours or 24 hours via (760) 878-0383.

Thank you,

Jeff Hollowell, Lt
Inyo County Sheriff's Dept.
